

# L'autissem en maletgs

Chapescha mal ed ha difficultads da far chapir

Drova la lingua en furma da resun

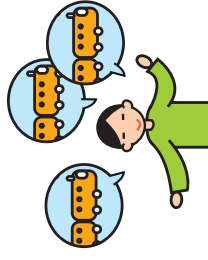

Manifestescha indifferenza

Ri en moda arbitraria

Manchenta il contact optic

Plaidda d'in cuntin davart in object particular

Fa valair ses basegns cun agid dal maun d'in creschi

Chapescha mal las cunvenziuns e las reglas socialas

Mancanza da geus imaginativs

Na fa betg termagis/ geus cun auters uffants

N'a betg gugent las midadas

Demussa cumpurtaments bizars

Drova ils objects a moda atipica

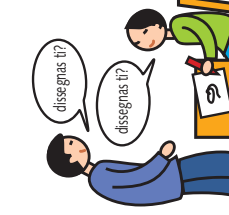

Po esser hipersensibel sin suns, sin odurs
